

ART IN THE CHRISTIAN TRADITION

An invitation to share your faith and how you are called to serve in art form

**Saturday, June 8, Mount Forest United Church
1:00 p.m. – 4:00 p.m.**

Art can be a catalyst for community engagement and also can demonstrate how we serve God. We are also drawn closer to God through art. Art takes many forms. If you have ever visited Woodland, you will see the beautiful banners displayed in the sanctuary and created by Linda Harris. You might be a photographer with a collage of photos that depicts your involvement with our refugee families. Perhaps you are a quilter, a woodworker, or a stained glass artist.

Start thinking about what you might like to display – and get creative!

The event will be open to the public and will include a strawberry tea.

The event is being coordinated by Patty Sinnamon. Patty is seeking helpers to coordinate the Art Show and helpers for the strawberry tea. For more information please contact Patty at psinnamon61@gmail.com.
